Dear Friends:-

The Chicago Branch of the W.I.L.P.F., is eager to hear of the work you are doing or are hoping to do for the cause of peace. We want to come into close contact with all branches of the International organization in order to insure effective co-operation. We are extremely interested in what your group is doing in regard to disarmament, outlawry of war, and peace education.

If you will be so kind as to confide your hopes and plans, your victories and defeats to us, you will enable us to understand our accomplishments and disappointments more clearly. If we establish this foundation of complete understanding and friendliness, we shall be able to progress more rapidly.

Hoping for your immediate co-operation in this matter, I am

Sincerely,

*Mrs Regina M. Loess.*
